

Dear Vendor:

We are writing to inform you that we are in the process of meeting the requirements of PETA's cruelty-free company Statement of Assurance for our stance against the use of animals in product testing. PETA's cruelty-free company program recognizes companies like ours that abide by the PETA Statement of Assurance, which guarantees no ingredient, formulation, or finished product is tested on animals.

From this point forward, you will find the following statement on our purchase orders:

“By fulfilling this order, the Guangzhou Robifel Cosmetics Co.,ltd affirms that it does not conduct or commission animal testing of any cosmetics and/or household products, including, without limitation, ingredients or formulations of such products, supplied to Guangzhou Robifel Cosmetics Co.,ltd after September 8th,2021.”

We appreciate your compliance with the PETA Statement of Assurance.

Sincerely,

Janice
